1.11 BOR Adjunct Faculty Teaching Awards

The Board of Regents for Higher Education established the BOR Adjunct Faculty Teaching Awards to recognize part-time faculty who have distinguished themselves as outstanding teachers with a track record of increasing student learning and promoting instructional improvements for their programs/departments.

There will be two awards granted annually by the Board of Regents of \$1,000 each to adjunct faculty members from ConnSCU institutions who best exemplify high quality teaching.

The System President is authorized to develop guidelines for these Awards, as he/she is similarly authorized to develop guidelines for the BOR Teaching, Research and Scholarly Excellence Awards.

Further information and current guidelines may be found on the CSCU website at <http://www.ct.edu/regents/facultyawards>
