Resolution Pertaining to Student Activity Funds

May 3, 1968

Section 4-53 of the General Statutes, as amended by the 1957 Session of the General Assembly, provides for the prescribing of Student Activity Fund procedures by the Commissioner of Finance and Control. Such procedures, designated as Procedural Manual #3, were issued under the effective date of January 1, 1968.

One provision, supported by an opinion of the Attorney General, requires that bookstore and athletic activities shall cease to be operated through activity funds. These activities may be operated through the Auxiliary Services Fund - the alternative being the State General Fund. July 1, 1968, has been set as the deadline for effecting the transfer of these activities.

Therefore, the following resolution is submitted for the Board's consideration:

RESOLVED: that, in keeping with the requirements of Procedural Manual #3 (Procedures for Student-government Sponsored Activity Funds in Educational Institutions), issued by the Department of Finance and Control, bookstore and athletic activities be removed from the operations of the student activity funds and be designated as operations of the auxiliary services funds of the state colleges.
