## AUTHORIZING RESOLUTION

concerning

ESTABLISHMENT OF COMMUNITY SCHOOL TEACHING POSITIONS

December 12, 1969

RESOLVED, That the Board of Trustees for the State Colleges authorizes, retroactive to September 1, 1967, the establishment of the following unclassified permanent intermittent categories of positions for use in the Community School Program.

	<u>Rate of Pay</u>
State College Community School Teacher	\$6.50 per hour
State College Assistant Community School Teacher	\$3.50 per hour
State College Teachers Aide	\$1.50 per hour

RESOLVED FURTHER, That effective September 1, 1969, the rate per hour for State College Teachers Aide be increased to a minimum of \$1.60 and a maximum of \$2.75 per hour.

REMARKS: Since the 1967 Fall semester, three categories of positions have been in use at Eastern Connecticut State College with the approval of the State Personnel Department but, inadvertently, without the approval of the Board of Trustees for the State Colleges. These positions have been used in the Community School program.

The Community School Teachers have the responsibility for instruction and supervision in programs for adults and families.

The Assistant Community School Teachers have the responsibility for helping with instruction and supervision in programs for adults and families, assisting the Community School Teacher with afterschool and evening classes, and teaching and supervising in those areas which demand less skill than do the activities taught by the Community School Teacher.

Teachers Aides assist teachers both in and out of the classrooms with programs and activities directly connected with the Community School Program. Because the Federal minimum wage standard is \$1.60 per hour and because it is essential to have greater flexibility in hiring in this category, it is requested that a minimum of \$1.60 and a maximum of \$2.75 per hour be approved for Teachers Aides.

In order to give these positions the formal authorization of the Board of Trustees and to affix appropriate rates of pay, the above resolution is offered.

Dear Ken:

At the December 17, 1969 special Board meeting a resolution establishing three community school positions was adopted. A copy of the resolution is attached for your records.

As you know, these positions have been in existence for quite some time, but through oversight had not been authorized by the Board. The action taken endorses the use of positions which are already in existence.

Sincerely,

W. T. Croft  
Associate Executive Secretary
