August 7, 1970

WHEREAS, some students in the State Colleges may wish to participate actively in the political campaigns prior to the federal and state elections in November 1970, and

WHEREAS, it is believed that to the majority of students such participation will be secondary in importance to their formal college work, and

WHEREAS, individual students are free to take part in political work within the limits of attendance policies in the several colleges, and

WHEREAS, uncertainty and confusion may develop in the college communities without a clarification of policy,

BE IT RESOLVED, By the Board of Trustees for State Colleges that the calendars of the several colleges be maintained for the fall semester of 1970-71 as published by the colleges.
