AUTHORIZING RESOLUTION

concerning

Student Food Plan Fees

April 3, 1970

WHEREAS, It is recognized that differences in food service facilities as well as differences in contract specifications and services make it impossible to maintain uniform food plan fees within the State College System, and

WHEREAS, It is recognized that increased operating costs make an increase in the present \$480 student food plan fee necessary,

BE IT RESOLVED, That subject to the approval of the Commission for Higher Education, the annual food plan fee be set at \$520 to be effective not later than September 1, 1971.

REMARKS: The increased fee is needed at Western Connecticut State College and Southern Connecticut State College in September 1970 and at Central Connecticut State College and Eastern Connecticut State College in September 1971.
