AUTHORIZING RESOLUTION

concerning

FIVE DOLLAR CHANGE OF COURSE FEE

January 7, 1972

WHEREAS, the Board of Trustees acted on October 9, 1970, upon the recommendation of the College Presidents and the Student Advisory Board, to suspend the \$5.00 Change of Course Fee pending the outcome of a study on the efficacy of such a fee, and

WHEREAS, experience during the period of study indicates that the fee should be discontinued, therefore

BE IT RESOLVED, that the Board abolishes the \$5.00 Change of Course Fee effective immediately.

Spring Semester 1971

The add and drop slips handled with the no-fee represents an increase of 31% over the previous semester. This is a considerable increase.

I believe the fee makes a responsible difference. Please note the number of students who added a course and then dropped the same course. The difference between the current semester and the previous is interesting.
