Grace :

I've talked with Vic Harris and he sees no purpose in notifying Personnel of the Adjunct Professor action. However, I've sent him a copy of the resolution for his own information.

As far as Finance is concerned, I'd think it sufficient to send a copy along at such time as it may be necessary to obtain the Commissioner's approval for a contract.

I suppose C.H.E. will be advised through their copy of the minutes. — not necessary
