Dr. James A. Frost  
Executive Secretary  
Board of Trustees for State Colleges  
1280 Asylum Avenue  
Hartford, Connecticut 06105

Dear Dr. Frost:

Recently Dr. Finis E. Engleman, who has served as Commissioner of Education in the State of Connecticut and was a former President of Southern Connecticut State College, donated to the College a large collection of personal books, manuscripts, papers and other memorabilia. These materials include original copies of Dr. Engleman's speeches, manuscripts, awards, a complete set of now out-of-print proceedings of the American Association of School Administrators, photographs of historic occasions such as the Atlantic Charter meeting of President Franklin D. Roosevelt and Prime Minister Winston Churchill, books in the field of school administration, and rare texts.

The materials have been placed in the library and will be of considerable value to students, faculty and others for study and research. The Board of Trustees may wish to acknowledge this fine gift from so distinguished a person in the field of education.

Sincerely yours,

Manson Van B. Jennings  
President
