OFFICIAL MOTOR VEHICLE TRAFFIC & PARKING REGULATIONS

EFFECTIVE DECEMBER 1, 1971

Old ones

Traffic Regulations

These regulations seek to facilitate control of the parking and the movement of motor vehicles on campus. Proper driving courtesy is required.

THE OFFICIALLY approved Motor Vehicle Traffic and Parking Regulations are available at the Security Office of the College for review by any person.

The Campus Speed Limit is 10 miles per hour.

PEDESTRIANS SHALL HAVE THE RIGHT-OF-WAY AT ALL TIMES

Western Connecticut State College assumes no RESPONSIBILITY for the care and/or protection of any vehicle or its contents at any time while it is operated or parked on the campus. For protection, vehicles should be locked when left unattended.

Standard traffic regulations and definitions, as enacted into the Motor Vehicle Laws of the State of Connecticut, will be rigidly enforced on the College lands at all times because of heavy vehicular and pedestrian volume; if necessary, violations of any of these regulations will be prosecuted by the College through the appropriate court.

Vehicles are not allowed in areas closed by use of barricades or other traffic control devices.

Parking Regulations

Parking from 7:00 A. M. to 3 P.M. will be by permit (decal) only. Decals are distributed by the Security Department only. Any transfer, exchange, sale, misuse or reproduction of this permit is unauthorized. IT IS REQUIRED THAT MOTOR VEHICLE REGISTRATION CERTIFICATES BE SHOWN DURING DECAL APPLICATION. Failure to display a decal is cause for penalty as a parking violation. Decals shall be affixed to the right front bumper (passenger side).

Students may park in Lot #1 and 2; students with compact cars (only) may park in Lot #3. Any student car parked in any other place on the campus will be subject to ticketing and/or tow away at the owner's expense.

Vehicles should park between stall lines on all hard surface lots. In unlined areas, drivers are prohibited from forming more than two rows.

Parking in driveways, walkways, grassed areas and service areas is forbidden.

Parking in dormitory parking areas will be limited to 15 minutes except for assigned personnel. Cars parked in these areas will be towed away at the owner's expense.

Students using exchange vehicles which do not have an assigned decal will use Lot #2 on White Street on a temporary basis only.

If there is no legal parking space available in the assigned lot, park in Lot #2 on White Street.

Motorcycles are permitted to park only in Lot #1 adjacent to the fence facing Berkshire Hall. An enclosed area is provided between the steps and library lawn.

The responsibility of finding a legal parking space rests with the motor vehicle operator. LACK OF SPACE IS NOT CONSIDERED A VALID EXCUSE FOR VIOLATION OF THESE REGULATIONS. On-campus parking is limited and cannot be guaranteed.

The College reserves the right to remove or to have removed by tow away and impounding ANY vehicle that is parked in such a way as to constitute a serious hazard, impedes vehicular or pedestrian traffic movement, impairs the operation of emergency equipment and/or the making of essential repairs, or is illegally parked. Owners of towed vehicles will be required to pay all costs involved in removing, impounding, and storing such vehicles.

Cars may be impounded and an impounding fee assessed, in addition to the violation penalty, under the following conditions:

1. If a car is parked in an area where "No Parking - Towaway Area" signs are erected.
2. Student cars parked illegally in other than student parking areas.
3. Impeding traffic anywhere on the campus property.

There is no overnight parking anywhere on the campus property except for those students, faculty and staff who have received permission from the Security Office. Overnight parking permission holders will be restricted to parking only in the areas designated on their permits. Overnight Parking is defined as being: Any time after 1:00 A. M. and before 7:00 A. M.

Arrangements for Guest Parking should be made well in advance with the Security Department.

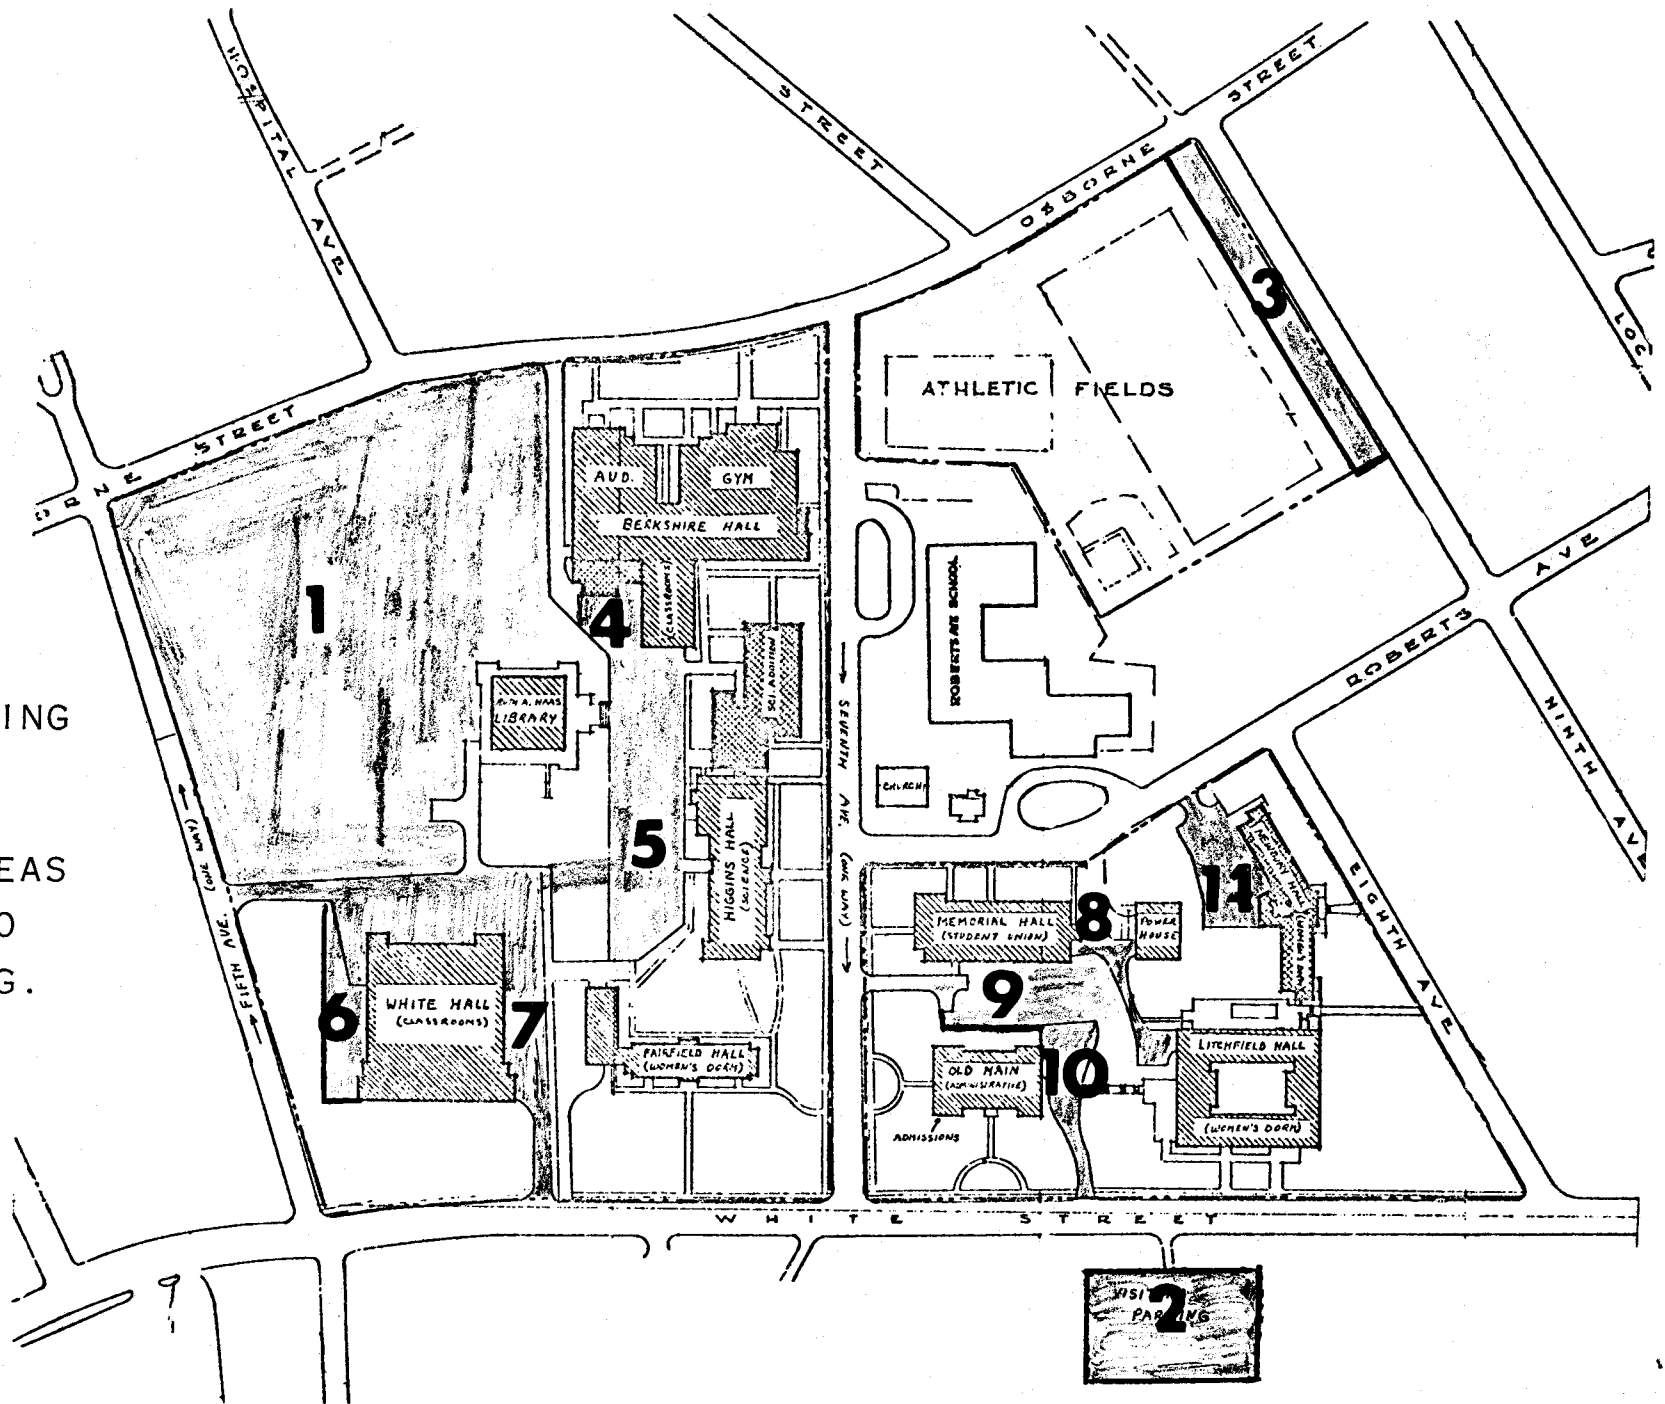

Fines for traffic and parking violations will be \$3.00 for the first offense. If it is necessary to check with the motor vehicle department to ascertain vehicle ownership, an additional fee of \$1.00 will be added to the fine. Fines increase to \$5.00 when not paid within (5) five working days. Disciplinary action may be imposed for failure to pay the first two tickets. A third ticket will be handled as an automatic referral for disciplinary action. Persistent violations of campus parking and/or traffic regulations may subject the owner to the loss of parking privileges.

Fines are payable at the Bursar's Office, Administration Building, from 8:00 A. M. to 4:00 P.M., Monday through Friday.

DRIVE CAREFULLY
