RESOLUTION

concerning

SCIENCE FACILITY AT SOUTHERN CONNECTICUT STATE COLLEGE
and
MAINTENANCE BUILDING AT CENTRAL CONNECTICUT STATE COLLEGE

September 26, 1975

WHEREAS, The facilities for instruction in science at Southern Connecticut State College are grossly inadequate to provide the instruction needed by students, and

WHEREAS, The Maintenance Building at Central Connecticut State College recently burned to the ground, seriously impairing the ability of the College to perform the work needed to maintain its physical plant and its equipment, and

WHEREAS, The Trustees have studied the need for a science facility at Southern Connecticut State College and a Maintenance Building at Central Connecticut State College in relation to the other capital needs of the Connecticut State Colleges and have found that, at the present time, the need for the forementioned science facility and Maintenance Building surpass all others, therefore be it

RESOLVED, That the Board of Trustees for the Connecticut State Colleges declares that its first priority for capital projects is the construction of a science facility at Southern Connecticut State College and the construction of a Maintenance Building at Central Connecticut State College.

Dear Lou:

Enclosed is Board Resolution #75-38 dated September 26, 1975. Please note that it places the Science and Classroom Building at Southern and the Maintenance Building at Central in the Trustees' first priority for capital expenditures involving new construction.

Cordially,

James A. Frost
Executive Secretary
