RESOLUTION

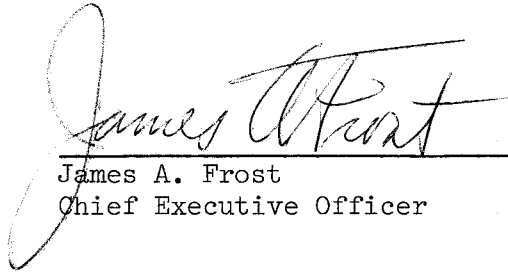

concerning

THE EFFECT ON THE STATE COLLEGE SYSTEM
of the
GOVERNOR'S RECOMMENDED 1976-1977 GENERAL FUND OPERATING BUDGET

February 6, 1976

- WHEREAS, The Governor's Budget for 1976-1977 provides funding for personal services at a level more than \$1,100,000 below that required to maintain currently funded positions, and
- WHEREAS, Enactment by the General Assembly of such a level of funding would create for the Connecticut State College System a serious fiscal crisis, requiring the termination of many current unclassified employees with shorter notice than specified in the Personnel Policies, therefore be it
- RESOLVED, That the Executive Secretary prepare for presentation to the General Assembly a report on the effect of the proposed budget on the Connecticut State Colleges, and be it
- RESOLVED, That enactment of funding for personal services at the level in the Governor's Budget for 1976-1977 would result in "financial resources below the level needed to meet the existing level of expenditures" thereby bringing into force Article XV, Title D, of the Trustees' Personnel Policies, therefore be it further
- RESOLVED, That the College Presidents prepare for the actions that would be needed should the funding for personal services in the 1976-1977 General Fund Operating Budget be below the level needed to maintain the present level of services.
