Termination of Laboratory School - CCSC

Asked to comment on a resolution and accompanying correspondence related to the closing of Stanley School, Dr. James acknowledged Dr. Ritchie's assistance in developing a procedural chart to comply with the Board's Personnel Policies.

Dr. Frost reported that Assistant Attorney General Robert Walsh had called Attorney Robert Hirtle, Counsel for the Stanley School faculty, to inform him that closing of the School would be discussed by the Board at today's meeting.

Dr. Ritchie asked that the Trustees take the time to read correspondence exhibited under Tab E-2 of the Agenda Book involving President James and the President of the New Britain Board of Education and others on this matter.

Mrs. Niejadlik noted that the following resolution was recommended by the Executive Committee.

WHEREAS, The Board of Education of the City of New Britain gave notice on May 22, 1975, of its intent to terminate effective at the end of the 1976-1977 school year, the agreement between the New Britain Board of Education and the State Board of Education (whose former responsibilities for the State Colleges are now those of the Board of Trustees for the Connecticut State Colleges) under which Central Connecticut State College operates Stanley School as a laboratory school; and

WHEREAS, Such termination on the part of the New Britain Board of Education will end the operation of the Stanley School by Central Connecticut State College; therefore, be it

RESOLVED, That the President of Central Connecticut State College shall take action to discontinue the operation of the Stanley School not later than June 30, 1977, and shall do so in accordance with the Trustees' Personnel Policies.

Judge Geen moved, Mr. Martinez seconded, and the resolution passed with no abstentions or dissenting votes.

Dear Jim:

This is to request that a resolution be prepared and presented to the Board of Trustees for action with regard to the elimination of Stanley School. Such resolution is necessary for fulfilling our Personnel Policies with regard to notification to faculty in cases of elimination or retrenchment of programs.

The President of the New Britain Board of Education, Mr. Nicholas E. DeNigris, notified me on May 22, 1975, that the Board voted to terminate the agreement under which Central has operated Stanley School at the end of the 1976-77 school year. In light of this decision by the New Britain Board of Education, the College will no longer be providing elementary level instruction for the City through Stanley School after June, 1977.

Hence, it is incumbent on me to give notification to the faculty involved according to our Personnel Policies guidelines.

With best wishes,

Sincerely yours,

F. Don James
