BOARD OF TRUSTEES  
FOR THE STATE COLLEGES

Office of the President

May 25 1976

TO: Dr. James A. Frost, Executive Officer  
Board of Trustees for the State Colleges

FROM: F. Don James, President

I am recommending educational leave for Mrs. Marilyn Tyszka, R.N., College Nurse, from May 31, 1976 through June 30, 1976, for the purpose of attending a nurse-practitioner program at Brigham Young University, Provo, Utah. Mrs. Tyszka will assume all costs incident to this educational program.

The nurse-practitioner program is a nationally recognized program of self-instruction for the professional registered nurses and is designed for the purpose of preparing the nurse to assume an expanded role in the provision of improved health service to college students.

The Dean of Student Affairs and Dr. Alexander Marsh, the Director of Health Services, approve this request.

It is recognized that the request for this leave is late, however, Mrs. Tyszka was notified just a few days ago of her acceptance in the program. I appreciate your assistance in securing Board confirmation for this request.
