4.5.11 Stipends and Waiver of Fees for Graduate Assistantships

Effective with Fall Semester 1985, graduate assistants may be paid stipends not to exceed a rate of \$300 for the equivalent of one semester credit hour of research, instruction, or laboratory work as determined by and approved by the University President or the President's authorized representative, and workload shall not exceed the equivalent of eight semester hours of credit.

Full-time graduate assistants enrolled for six or more semester hours of academic course work per semester and part-time graduate assistants enrolled for nine or more semester hours of academic course work per semester shall be required to pay full-time tuition into the Tuition Fund, and in addition, a University General Fee sufficient to defray the cost of student accident insurance, but the balance of the University General Fee as well as all other fees imposed by this Board shall be waived, except that full-time graduate assistants who are enrolled in the Master of Science in Organization and Management at Central Connecticut State University and who are enrolled for fewer than six hours at Central while fulfilling program requirements through enrollment for three or more hours at the Hartford Graduate Center shall be included in the Extension Fund Program with fee waivers for the course(s) for which they are enrolled at Central.

The part-time graduate assistants who are registered for less than nine semester hours of academic course work per semester shall be included in the Extension Fund Program with fee waivers of up to eight semester hours of academic course work.
