Dear Brendan:

Subject: State Land - New Britain
Project No. 51-130
I-291
New Britain

I am pleased to be able to inform you that the land may be temporarily used by the College in accordance with your Board Resolution #79-64 dated June 8, 1979, which accompanied your letter of June 19, 1979.

Our Bureau of Highways will determine during the next ninety (90) day period exactly where the boundary lines will be for the Central Connecticut Expressway. However, in the meanwhile, I have requested that our Office of Rights of Way prepare a license agreement granting Central Connecticut State College the use for no monetary consideration. Of course, any grading of the site and installations of a permanent nature by the College must be submitted to this Department for approval. We will cooperate with the College in this respect.

You will be hearing from our Office of Rights of Way shortly.

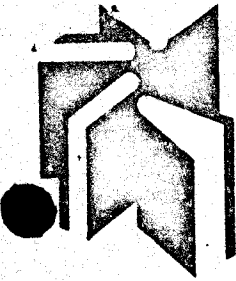

Sincerely,

Arthur B. Powers
Commissioner
