 Project SF-RS-81

Southern Connecticut State College  
 501 Crescent Street  
 New Haven, Connecticut

Attention: Mr. Charles Slocum

Gentlemen,

Reference is made to the above project and phone conversation with Mr. Parry of this office on December 19, 1980.

After a thorough study of the building, it has been determined that in order to properly design this facility, we will need to obtain approval of additional funding.

Following is the present budget and the increased budget we are proposing:

<u>Existing Budget</u>		<u>Proposed New Budget</u>	
	\$66,000. - Construction		\$ 94,000.
(11.18%=-)	7,378. - Arch. Fee		9,983. - (10.62%)
	<u>6,600. - Contingency</u>		<u>9,400.</u>
	\$79,978. - Total Budget		\$ 113,383.

Original Authorization - \$80,000.

(Say) \$ 114,000. - Total Budget  
 -80,000. - Original Authorization  
 \$ 34,000. - Additional Needed

Enclosed is a copy of the Preliminary Study, Plan, and Estimate from the Architect dated December 17, 1980 for your perusal. We are recommending Proposal #2.

It is our understanding that any additional authorization must have the approval of the Board of Trustees for the State Colleges.

If you have any questions, please feel free to contact our office at any time.

Very truly yours,

Norman E. Cutts  
 Deputy Commissioner
