Dear Jim:

I certainly appreciate very much your support for my request for educational leave to accept the invitation to lecture at the Northwest Teacher's College in the Peoples Republic of China. Thanks for preparing the resolution that you will present to the Executive Committee this Friday.

As I mentioned by phone on last Friday, I received that morning, another letter from President Li of Northwest Teacher's College who extended the invitation to me and thus was able to finalize the dates. I will be leaving here on October 6 and will then leave Peking on Wednesday, November 3 to return. Thus the 21 days of educational leave we talked about will cover the extent of my stay in China.

Thanks again for your help and support on this.

Cordially,

F. Don James  
President

Dear Jim:

I am most pleased and honored to have received an invitation from President Li Bing-de of Northwest Teachers College, Lanzhou, Gansu Province, of the Peoples Republic of China, to lecture at his institution on higher education in the United States, general education in the United States colleges and universities and especially our "Modes of Thought" program at Central, and on international education and cultural exchange programs.

I am, of course, most delighted for such an invitation and look forward to an exciting experience in being on the campus of Northwest Teachers College for approximately two weeks and visiting universities in Peking and Canton for one week.

Accordingly, I am requesting educational leave for three weeks in order to accept this invitation to lecture at this institution in the Peoples Republic of China. The tentative dates that I will be visiting Northwest Teachers College and universities in Peking and Canton are from October 4 through October 22. I am awaiting now a final approval of these dates from the Ministry of Education of the Peoples Republic of China.

I would certainly appreciate your approval of this request and your presenting it to the Board for their action.

There will be no expense to the State.

Cordially,

F. Don James  
President
