SUBJECT

Dr. McGrory has donated her scholar's library of some 551 books, valued at ca. \$4,100, to the J. Eugene Smith Library. Most of these volumes served as a supplementary reference to her students in Irish literature, medieval literature, and history of the English language. Kathleen says, "I shall miss them as friends, but know where I can find them should I ever need to consult them."

I thought you would be pleased to know of this generous gift and might wish to inform members of the Board of Trustees.
