I am delighted to inform you that through gifts from several of our Alumni Classes and from our Student Senate, we were able to have installed before Commencement on May 20, two beautiful new signs for "Central Connecticut State University." One sign faces the Stanley Street-Francis Street intersection and the other the Stanley-Wells Street intersection.

I would appreciate if you would request acceptance of these two signs as gifts from our Alumni Classes and the Student Senate by the Planning Committee of our Board of Trustees.
