Dear Dallas:

This is to request an educational leave from September 16 through October 18, 1985, for the purposes of lecturing and establishing exchange programs with several universities in the Peoples' Republic of China. I have been invited to lecture on American Higher Education and Central as an institution of Higher Education in America at Fudan University (Shanghai), Henan University (Kaifeng), Beijing Normal University (Beijing) and Northwest Teachers University (Lanzhou). Henan University wishes also to establish an exchange program with Central similar to the one already established with Northwest Teachers University.

Our exchange program with Northwest Teachers University has already brought two of their professors to our campus for one year experiences and one of our professors plans to teach there. President Li Bing-de of NTU has also been on our campus. President Li Runtian and three of his colleagues from Henan University have also been on our campus and discussed an exchange agreement with me in anticipation of my visit to Henan this September.

I will appreciate your presenting this request to our Board.

Cordially,

F. Don James
