JUSTIFICATION: (Use Reverse Side If Additional Space Is Needed)

This new position is requested under an approved U.S. Department of Education grant from the Office of Special Education and Rehabilitative Services. The purpose of the grant is to develop a prototype M.S. degree program in adapted physical education which will prepare students to provide programs to serve handicapped children. The grant is for 36 months from September 1, 1986 through August 31, 1989, so it is requested that a non-tenure track position be established for 3 years.
