## RESOLUTION

concerning a

CENTER FOR DEVELOPMENTAL STUDIES IN EDUCATION

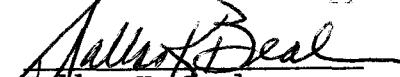

at

WESTERN CONNECTICUT STATE UNIVERSITY

January 16, 1987

- WHEREAS, Accreditation standards of the State Board of Education and the Board of Governors of Higher Education require that teacher education programs establish cooperative relationships with school systems and further require such programs to develop a management plan for the delivery of services to school systems, and
- WHEREAS, Western Connecticut State University has established a number of cooperative relationships between its teacher education programs and neighboring school systems and is delivering a variety of services to the schools, and
- WHEREAS, The development of a management plan for the delivery of services to schools and the actual management and direction of such efforts would be facilitated and enhanced by a specific administrative structure, therefore, be it
- RESOLVED, That the Trustees of Connecticut State University authorize the President of Western Connecticut State University to establish a Center for Developmental Studies in Education, to be headed by a professionally qualified staff member of the University who shall report to and be responsible to the Dean of Professional Studies at Western Connecticut State University, and be it
- RESOLVED, That the function of the Center for Developmental Studies in Education shall be to coordinate and provide administrative direction to service programs for school systems including related instructional and research activities in the field of Education and cognate academic disciplines, and be it
- RESOLVED, That the Center for Developmental Studies in Education at Western Connecticut State University shall go out of existence two years from the date of this resolution unless the Trustees of Connecticut State University authorize its continuation.
