JUSTIFICATION: The duties of the Sports Information Assistant in the University athletic department no longer coincide with the academic year. In recent years, it has been necessary to employ the services of the incumbent during summers and intercessions. A recent example of this is the Liberty Classic Basketball Tournament held in January at Eastern.

Although this extension will result in a cost increase to the auxiliary services fund, such increase is due only to the extension of services and does not represent an increase in the rate of pay.
