Dear David:

It is a pleasure to present to you the enclosed resolution adopted by Connecticut State University's Board of Trustees on December 2. As you know, through this resolution the Board officially recognized the fine job done by members of Eastern's Student Programming Team at the 1988 Northeast Programming Competition.

The achievement of Eastern's second place showing is significant, especially given the fierce competition provided by the region's twenty teams, including those of some of New England's premier institutions. Team members Joseph Gregorio, Darwin Leung, Michael Radzvilowicz, and Robert Rossow, and coach Gary Rommel are to be especially congratulated. Their achievement brings honor to the entire system.

Please accept the enclosed resolution as a token of our pride.

Sincerely,

Dallas K. Beal
President
