Mrs. Merle Harris, Deputy Commissioner

Dear Merle:

Pursuant to P.A. 85-597, I report to you that the CCSU Foundation, Inc. received a gift in the amount of \$100,000 from Chairman M.K. Chung of Hyundai Precision and Industry, Inc. This gift was received on June 6, 1989 in the form of a check dated June 2, 1989. We believe that P.A. 85-597 does not apply to this instance because the gift was made to the CCSU Foundation rather than directly to Central Connecticut State University. In addition, the gift was formally made of Hyundai Steel Industries, Inc., a subsidiary corporation of Hyundai in Los Angeles—a company registered in the United States and not technically a "foreign source." Nevertheless, we want to comply with the spirit of the requirement.

This gift will be used at the discretion of the President of Central Connecticut State University to further the mission of the University, particularly as it relates to Central Connecticut's outreach in Korea and other East Asian nations.

If I can be of further help in this matter, please do not hesitate to contact me at 827-7203.

Sincerely yours,

John W. Shumaker
President
