**ITEM**

Resolution honoring David C. Newton and Conferring the Title of Vice President for Personnel Emeritus

**BACKGROUND**

Dr. Newton is retiring from the Connecticut State University System Office after thirty years of service in the CSU system as professor of Biology at Central Connecticut State University, a founding member and first president of CSU-AAUP, and most recently as Vice President for Personnel at the System Office. It is appropriate, therefore, to acknowledge his dedication and contributions through a Board resolution to be presented at a dinner in his honor on May 7, and to confer upon him the title of Vice President for Personnel Emeritus at the time of his retirement on June 1.

Because the full Board will not meet until after the event, the Executive Committee, acting on behalf of the Board, may approve the resolution.

**CHANCELLOR'S RECOMMENDATION**

Approve the resolution and report the action to the Board at the May meeting.
