Payment of Moving Expenses

EXECUTIVE SUMMARY

The Chancellor and Presidents are authorized to offer reimbursement for out-of-state moving expenses for prospective employees when, in the judgment of the Chancellor or President, such an offer would be in the best interests of the Connecticut State University System.

There has been no review of the Policy on Payment of Moving Expenses since 1993, and the costs associated with such moves have escalated. The revised policy will increase the allowable amount to \$6,000. Such expenses shall be paid as a reimbursement for documented expenses and shall be assessed against the budget of the particular University or the Connecticut State University System Office where the prospective employee will serve.

CHANCELLOR'S RECOMMENDATION

Approve the increase in the amount allowed for moving expenses to \$6,000.
